DETAILED ACTION

Claim Objections

1. Claims 1, 5 and 8 are objected to because of the following informalities: [formula 1][formula 4] and [formula 9], as far as the Examiner can tell, are inconsistent, in terms of
labeling, with [Chemical formula 10]-[Chemical formula 18] in the specification. Appropriate
correction is required.

Claim Rejections - 35 USC § 112

- The following is a quotation of the second paragraph of 35 U.S.C. 112:
 The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 3. Claim 4 stands rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
- A) The recited "constituent monomers comprise polyvinyl alcohol" per claim 4 constitutes indefinite subject matter as per it not being readily ascertainable as to how the recited "polyvinyl alcohol" further limits the antecedently recited "constituent monomers".

Allowable Subject Matter

4. Claims 1-5 and 8 are deemed allowable. Claims 1, 4, 5 & 8 would be allowable if rewritten and/or amended so as to overcome the 112, 2nd paragraph issue (4) and Claim Objections (1, 5 & 8) as set forth in this Office Action.

Response to Arguments

5. Applicant's arguments filed 10/28/09 have been fully considered but they are not persuasive.

Application/Control Number: 10/593,544

Relative to the Rejection of claim 4 under 35 U\$C 112, 2nd paragraph and the Claim Objection (1, 5 & 8)While Counsel, in a good faith effort, attempted to remedy the 112, 2nd paragraph issues and Claim Objections, a 112, 2nd paragraph issue and Claim Objection remains and is as set forth supra.

Relative to the Rejection of claims 6 and 7 under 35 USC 102 (b)/103 (a) over Koinuma et al (US 5,466,853), cancellation of these claims have rendered the rejection moot. This rejection has been withdrawn.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MARIE REDDICK whose telephone number is 2-5816. The examiner can normally be reached on 6:30 am to 3:00 pm.

Application/Control Number: 10/593,544

Art Unit: 1796

If attempts to reach the examiner by telephone are unsuccessful, the examiner's

supervisor, DAVID WU can be reached on 2-1114. The fax phone number for the organization

where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent

Application Information Retrieval (PAIR) system. Status information for published

applications may be obtained from either Private PAIR or Public PAIR. Status information for

unpublished applications is available through Private PAIR only. For more information about

the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the

Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If

you would like assistance from a USPTO Customer Service Representative or access to the

automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
